The prayer sought for by the petitioner is to direct the University to declare the results which have been withheld. On instructions, the learned Standing Counsel for the University today submits that during the centralized valuation, one of the examiners had noticed that some of the answers were such that there was a possibility of copying the answers from certain guides and made a report in this behalf. It is stated that in pursuance to the report of the examiner the matter came to be considered by the Syndicate and under orders of the Syndicate, a committee was constituted to enquire into the correctness of the report of the examiner. It is in view of the pendency of the enquiry that the result of the petitioner was ordered to be withheld. According to the learned Standing Counsel, the enquiry has not been completed.

2. In view of the above factual position the only order that can be passed at this stage is to direct

expeditious completion of the enquiry. Accordingly, I direct that the respondents shall ensure that the enquiry mentioned above is competed within a period of six weeks. Depending on the final conclusion arrived at in the enquiry the respondents shall take a decision in the matter of the result of the petitioner in the examination.

The writ petition is disposed of as above.
